EXPORT PRODUCT 01 · MADE IN KOREA

FLOWER GARDEN ICE COOLING SCARF

by WOLGAN HELSSY

A Korean-made reusable ice cooling scarf designed to combine practical summer cooling with a softer lifestyle-oriented appearance. Unlike many sports-focused cooling products, its cotton fabric and botanical designs allow the product to work naturally across retail, gifting and promotional channels.

Morning Rose D-01

Blooming Mist D-02

Summer Garden D-03

Classic Botanical D-04
